1966 ACCOLADE

PUBLISHED BY THE
ACCOLADE STAFF OF
LYNWOOD HIGH SCHOOL
LYNWOOD, CALIFORNIA

DEDICATION

We, the students of Lynwood, respectfully dedicate this annual as a token of our great admiration to Marvin "Tex" McKown, Delbert "Del" Dequine, Fred Hoover, and Roland Kamerer for their many attributes. Their untiring zeal and their interest in the school as a whole and in each student as an individual defies description.

Coach Tex McKown began teaching at Lynwood High School in September, 1950, after receiving his Bachelor of Arts Degree from Humbolt College and his Masters from Los Angeles State College. Tex has been head of the Boy's Physical Education Department, Director of Athletics, and Head Football Coach since 1950. This year Coach McKown was named "Coach of the Year" by the Daily Signal. He has also served as president of the Southern California Interscholastic Football Coaches Association.

Coach Del Dequine also joined the Lynwood staff in September, 1950, after graduation from the College of the Pacific and receiving his Masters from the University of Southern California. During his years at Lynwood, Del Dequine has served as a counselor, assistant Varsity Football Coach, assistant Track Coach, Head Track Coach, and Varsity Wrestling Coach.

A late-comer, Coach Fred Hoover began teaching at Lynwood in September, 1956, after receiving his Bachelor of Arts Degree from Pepperdine College and his Masters from the University of Southern California. While at Lynwood, Coach Hoover has taught physical education, social studies, state requirements, and driver training. Fred Hoover has served as "B" Football Coach, Junior Varsity Baseball Coach, and Varsity Baseball Coach. Coach Hoover concluded the 1966 baseball season with the league championship and entered the CIF playoffs.

Coach Roland Kamerer began teaching at Lynwood High School in September, 1956, also, after receiving his Bachelor of Arts Degree from Bethany College and his Masters Degree from Long Beach State College. His years at Lynwood were memorable ones. In 1957, Coach Kamerer's "B" team won the Coast League Championship. As a Junior Varsity Baseball Coach, Coach Kamerer has the distinction of winning 32 games and losing 7.

Therefore, in humble appreciation, we, the Class of '66, hereby dedicate this annual to Marvin "Tex" McKown, Delbert "Del" Dequine, Fred Hoover, and Roland Kamerer.

WENT-WENT

Foreword

Each year one of the most important questions the Accolade staff has to answer is, "What is going to be our theme." This year the staff chose a theme of just one word, "GO." To us, the staff, this signifies the spirit, the energy, and the drive of each student at Lynwood High. The happening of 1965-1966 will be recalled in the following pages. Many times the events are recalled with a smile and a laugh. But other times, events are thought of with a tear and a sigh, like the Senior Farewell Assembly, Graduation, and the last day of school. Next year new faces will appear on campus: a new Homecoming Queen will be crowned, new teachers will face their first class, new Juniors will run through Senior Square, and another class will graduate. We hope that when you look through the pages of this ACCOLADE you will remember with happiness and sadness the great Knight yell — "GO KNIGHTS."

The production of a yearbook represents an extremely difficult task. It involves many hours of work by many students in the planning, compiling, and processing of the necessary materials. This yearbook staff has, I believe, met its responsibilities and has portrayed accurately and interestingly the school year of 1965-1966.

I would like to extend my best wishes to all students at this time. However, I would extend a special word to the graduates of 1966. During the years of your attendance here you have grown to maturity. You have contributed to the history and traditions of Lynwood High School. It is important that you continue to contribute whether you go on to school, go into the service, take a position in business, or whatever you do.

The Lynwood Knights have never been known for being static or complacent. We have initiated and survived many changes in campus, in curriculum, in activities. 1966 witnessed a major transformation in the Accolade—new format, new ideas, new publication technique. Students of the Castle are not unaware of change. The Class of 1966 during its four years here has adapted to several major modifications. Throughout the succeeding years each individual will pass through other transitions. We hope that something will remain immutable—your fond memories of the Castle of Lynwood High.

Class of '66

On June 16, we the Class of 1966 will say adieu to friends and faculty at the Castle to embark upon a momentous journey into the future. We realize, however, that we will not leave empty-handed since we take with us four years of happy memories and acquired knowledge.

Entering Lynwood High School as Freshmen, we caught our first glimpse of determination and stamina we would need to succeed in our high school career. Being the largest class to enroll at Lynwood as yet, we looked forward to the challenge and expectations the future held. Our first activity as freshmen was our float, "Switzerland," for the last Lynwood Homecoming Parade. With President Mike Stewart's guidance we sponsored the Saint Patrick's Day Dance, and then later, the first Freshman Hijinks. Our first year was filled with fun, learning, and a whirlwind of new but exciting activities.

As expectant sophomores, we entered our second year of high school with President Jim Lucatorta presiding. Our first official act was to sponsor the Freshman Welcome Dance which proved a fabulous success. Then followed our Christmas sale of mistletoe to increase class funds. We climaxed our sophomore year by ordering our class rings which we all waited eagerly to receive.

President Mark Rauschenbach piloted us through our Junior year as we took our first step as upperclassmen. Getting our long-awaited class rings was the first order of business. As the year progressed, we held a magazine drive to boost the class treasury. It proved very successful. Huge Sugar Daddy suckers and stuffed animals proved worthy prizes for able salesmen. The perfect ending to this perfect year was "May Memories," the Junior-Senior Prom at the International Hotel at the Los Angeles Airport. The evening was an eventful one for everyone who attended.

Our final year at the Castle was filled with all the social activities and hurried events connected with Senior year. In September we gladly took our places as the privileged rulers of Senior Square. President Steve Niethamer then joined the class in welcoming our exchange student, from Norway, Geir Totland. Our last Homecoming game and ball were marked by the reign of Queen Janet Fell. "Mistletoe Magic," the Christmas Dance, was the highlight of the Yuletide season and the Senior-only Masquerade Party in March was rousing fun for those who attended. Later, the All-School Play, "Our Hearts Were Young and Gay," provided entertainment for students, faculty, and parents alike. The Prom, as usual, was a rememberable occasion for us all. Suddenly Senior week, which we had anxiously awaited, descended upon us. At this time we experienced some of the most memorable moments of our lives. The sacredness of Baccalaurate, the gaiety of the Senior Picnic, the liveliness at the All-Night Party, and the ever present pomp and circumstance of Commencement are memories we will cherish for years to come.

As we, the Class of 1966, leave the Castle, we also go with feelings of gratitude for those persons who guided us throughout four years of learning. These people include counselors Mrs. Agnes Jones and Mr. William Holmes who greatly aided all Senior activities and problems, and of course, all the faculty and the administrators who taught us. Sponsors who helped us with our dances and committees also receive our thanks.

Now that our Senior year has come to an end, we, the Class of 1966, bid a fond farewell to all friends and faculty we have known during our four years at Lynwood High School.

Typical Lady

Jeanne Reber has been chosen as the typical lady by the class of 1966. Jeanne has served as president of both Drill Team and C.S.F. She has also been an active member of the Roundtablers, Ducettes, and Cathenians. During this past year she has been Song Queen, a homecoming princess, and one of the senior class representatives. Jeanne's future plans include college and we are sure that she will show th same personality and charm that she has shown here at Lynwood High. Jeanne, congratulations, and best of luck from the class of '66!

Jim Barr

Jim Barr has been chosen as the typical knight for the class of 1966. Jim excels in sports and has lettered in football and baseball. In his junior year, he was voted co-most valuable player in the Coast League in baseball. He felt that his greatest achievement is pitching a no-hitter against South Gate and being able to play on the probable 1966 CIF Champion team.

Jim is a member of the Student Council and is the Student Body Commissioner of Athletics and Awards. He holds a 3.2 grade point average. He is also a member of the Letterman's Club and was chosen by the Senior class as the best liked senior boy. Jim plans to attend college and later play professional baseball. Congratulations, Jim, and best of luck from the Class of "66.

Varsity Football

This year's Lynwood Knights' Varsity Football Team ended the 1965 football season finishing second in the Coast League campaign. The team's 7-1-1 record was the best record in Lynwood High's history.

The outstanding line consists of Steve Bowling, First Team All Coast League guard (two years in a row), Fred Voss, Greg Foster, Steve Thomas, Jim Woodall, Rich Barth, Linn Kogut, and Jim Barr. The Knights' backfield was led by Steve Cashdollar, third-team All CIF halfback, a transfer from Dominguez, Dave Breaux, First Team All Coast League fullback, John Easley, Paul Page, Ron Garcia, and Ron Vanettes.

After turning out a fine season, the coaching staff of Tex McKown, Del Dequine, and Fred Hoover decided to hang up their cleats and whistles. Head coach Tex McKown is retiring as coach, Del Dequine is going up north, and Fred Hoover is taking over coaching at Golden West Junior College. Jack Kinsey, the remaining Varsity Football coach, will take the reign this spring as head football coach.

Hoop Highlights

Boy Oh Boy! Basketball seemed to whiz by this season, didnt' it? What a season it was. A season of wins and losses, of sadness and triumphs, of spirit and spite. Even though the Knights didn't have an impressive record and didn't come through as the league champions, they tried hard and displayed excellent sportsmanship.

COAST LEAGUE CHAMPIONS

The 1966 baseball squad has brought home for Lynwood the Coast League championship and it looks like they have a good shot for the number one team in the C.I.F.! With almost the entire squad being returning lettermen, they left nothing but a cloud of dust in the Coast League race. The pitching staff was outstanding with starters like Jim Barr, Ben Withers and Mike Stewart. But defense was the name of the game and Lynwood was at its best with Greg Thompson at third, Dick Sutherland at short, Jim Burton at second, captain Paul Page at first, and Bob Mitchell behind the plate. The outfield was welded together by Steve Cashdollar, Greg Foster, and Ron Vanettes.

This is the squad that Mr. Fred Hoover welded together with fighting spirit and determination to bring to Lynwood another championship baseball team. It is nice to know that Mr. Hoover is ending with a championship, for he is going on into new areas of competition. All we can say is good luck and happy hunting!

JUNIOR VARSITY BASEBALL

The 1966 J.V. baseball team, with amazing come-back ability, took the Coast League championship winning 12 out of 15 games. Under the leadership of Coach Kamerer, they had a season record of 19 wins, 3 losses, and 1 tie. Because of inexperience (five of the starters were sophomores), the team made many errors and mental mistakes, but when they were needed to settle down they were able to do so. This is next year's varsity team. The leading hitter was John Fuller, with a season batting average of .510. The leading pitcher was Don Carrithers with a record of 8 wins and 0 losses. This was an excellent way for Coach Kamerer to end his coaching career.

JUNIOR VARSITY BASEBALL — Row 1: M. Blair, B. Hazelwood, M. Fahrenkurg, M. Watkins, J. Jacobs, S. Peach, B. Lopez (Manager). **Row 2:** Coach Kamerer, E. Matthews, G. Sole, W. Burger, D. Carrithers, J. Deutch, J. Fuller, C. Vanetters, D. Doyle, M. Everett, G. Elias.

FRESHMAN BASEBALL — Row 1: M. Vonderlage, A. Walker, R. Megill, B. Blackwood, R. Justus, Coach Harr, E. Mesta, K. Derks, R. Kelso, R. Crawford. **Row 2:** R. Doyle, R. Halloway, D. Brown, B. Henry, J. Walter, D. Bridges, T. Girard, B. Atkins, V. Greiving, D. Morales, B. Withers.

As the yearbook went to press the freshman baseball team had played all but one game of their schedule. To date their record was 8 wins and 3 losses. Two losses were by one-run margins.

The team's success was due to a fine defense. In no game did the team commit more than two errors. This along with superb pitching in late season compensated for weak hitting.

Jerry Walters and Tom Girard carried most of the pitching load with strong support from Denny Morales and Arnie Walker.

Shortstop Rick Galloway and first baseman Gary Eliar turned in sparkling performances at their defensive position.

The knight freshman team has collected the best record since this year's varsity went undefeated as freshman in 1963.

Purple and gold harriers enjoyed an impressive season. The distance men compiled a fine record, losing only two meets during the season. The track team boasted some of the top performers in CIF. Tom Holmes, Dick Grimmett, Ron Garcia, and Bruce Haniford were among the outstanding record-breakers. Although many quality athletes competed for the Knights, the coast league competitors gave our thin clads a one win five loss seasonal record.

Knight swimmers and water poloists completed one of the best seasons in Lynwood History. Ably coached by Mr. Matt Dodson, the varsity water polo team ended the San Gabriel Valley League play with a five and two win-loss record, losing only to Los Altos and La Puente in close games. John Bason and Jim Swartz made First String All League while Frank Heckle and John Litchfield made Second String.

Even for Lynwood, traditionally strong in swimming, the 1966 season was outstanding. In dual and triangular meet competition the Knights boasted a fantastic 11-0 win-lose record. Besides being undefeated, the team was able to send five men to the CIF finals-Bee division. Frank Heckle, Paul Cohee, Chuck Grant, Doug Hescox, and John Bason all placed in the top three in the CIF finals to capture the team trophy. Among them two new CIF records were set: Paul Cohee in the 400-yard freestyle and a 400 yard freestyle relay team of Heckle, Hescox, Grant, and Cohee.
